ALL TEAMS CAN BENEFIT FROM TEAM CAMP-VARSITY, JV, AND FROSH.....

Get an edge on the competition with 12 hours of team instruction, 12 hours of competition and 3 hours of position training for 4-day camps. Each team is provided an instructor that stays with the team the entire camp. The high school coach determines what systems will be used and refined for the 2022 season. A schedule will be designed for your team based on this information. If desired, our camp coach can recommend any systems based on team personnel. Any involvement by the high school coach at camp is welcomed and attendance is encouraged, but not necessary the end of camp.

TEAM BUILDING

Team building, team chemistry, and cooperation is a natural by-product of our camp schedule. The warmup and cool down sessions involve team building and competitive activities.
